

## ***Big River Investments***

---

### **Tenants:**

Its that time of year again. All lawns must be mowed at least 2 times a month and need to be kept up. If you have any problems doing this please let us know and we can arranged to get this taken care of for a fee. If we receive a notice from the city, you will be responsible for paying the citation fee (starting at \$75) and paying for us to mow the grass. Any and all questions please call 309-788-1100 and speak with Meghan.

**Doug and Scott**
